EMERGENCY SERVICE

Our rapid repair services are backed by a comprehensive parts inventory.

We service all major brands and offer the industry's premier repair guarantee.

With 24/7 emergency service and complimentary pickup and delivery, we know that downtime is not an option.

We're dedicated to getting you back up and running swiftly. At DMS, we keep an extensive stock of Blower and Compressor parts, ready for immediate use in your repair.

HISTORY

With over 35 years of expertise in Blower and Compressor repair, we possess the necessary experience to handle even the most challenging cases.

INSPECTION

Each piece of equipment is subject to an initial examination and evaluation, encompassing failure analysis, metallurgical testing, vibration noise, temperature monitoring, geometric assessment, and load and non-load testing.

This procedure assesses the extent of damage, identifies necessary corrective actions and estimates the time and cost required for repairs.

DIRECT MAINTENANCE SERVICES

SERVICE

At DMS, delivering superior workmanship is our highest priority.

To better serve our clients, we have implemented a continuous quality improvement program.

By constantly enhancing our repair and rebuilding capabilities, we ensure that we meet our clients' evolving needs.

Whether it's repairing or re-manufacturing parts, we are committed to getting it right the first time.

DMS is dedicated to providing
